**Northwest Air Solutions**

DOMESTIC. COMMERCIAL. INDUSTRIAL. MARINE.

# Karratha's air conditioning and refrigeration specialists.

Northwest Air Solutions is a family owned and operated air conditioning and refrigeration business that works with a broad range of domestic, commercial, industrial and marine clients.

Based in Karratha, we specialise in the installation, repair, preventative maintenance and servicing of all A/C and refrigeration equipment. We also hire ice machines, portable air conditioners and cool rooms.

Our fully licensed and experienced technicians are committed to providing professional advice, quality workmanship and excellent customer care and support.

## Locally owned and operated

Owner/Operators, Dean and Melissa Lucas have lived in Karratha for more than 30 years and lead a growing team of fully licensed and qualified technicians, apprentices and admin staff.

Dean has extensive experience in the refrigeration and air conditioning industry, in the residential, commercial, industrial and marine sectors. He started the business in June 2016 as a sole trader, and established Northwest Air Solutions Pty Ltd in the following year.

## Vision statement

We strive to deliver high quality workmanship by skilled professionals and achieve 100% customer satisfaction.

## Priority response

Air conditioning and refrigeration are essential in our harsh climate, so breakdowns need prompt attention.

We rank all jobs according to an established priority response framework. This ensures that in emergency situations, we can respond appropriately.

## Mission statement

At Northwest Air Solutions, we strive for excellence in everything we do. We offer the highest quality air conditioning and refrigeration equipment and we actively support our clients and team members, providing a respectful, safe and positive working environment.

At Northwest Air Solutions we care about:

SAFETY

QUALITY

TEAMWORK

INTEGRITY

RELIABILITY

## Air Conditioning Services

INSTALL, REPAIR, SERVICE, CLEAN.

At Northwest Air Solutions, we are proud to install high quality, reliable A/C solutions that are well suited to the Pilbara's climate.

We can also service, clean and repair all brands of air conditioners to make sure they are operating at maximum efficiency. As long-term locals, we understand the importance of effective air conditioning – at home and at work. Our air conditioning services include:

- ✓ Supply and installation
- ✓ Scheduled servicing and chemical cleaning
- ✓ Breakdowns & repairs
- ✓ Preventative maintenance
- ✓ Air conditioner inspections
- ✓ Warranty support

All our work is completed by fully licensed and experienced air conditioning and refrigeration technicians. We take the time to listen to your requirements and we recommend the solution that will best meet your needs and your budget.

### Your trusted warranty agent

Northwest Air Solutions is the only Mitsubishi Heavy Industry Australia warranty service agent in the region and we proudly stand by their products.

We are also warranty agents for Daikin and Kaden Air Conditioners, and EvaKool fridge / freezers.

## Refrigeration Services

NEW, MODIFIED AND CUSTOMISED SOLUTIONS.

Our licensed and experienced technicians can install, maintain, repair and service all types of refrigeration systems – domestic and commercial fridges and display fridges, coolrooms, freezer rooms, ice machines, water coolers and more. Our refrigeration services include:

- ✓ 24-hour emergency breakdown service
- ✓ Scheduled maintenance contracts
- ✓ Installation of new systems
- ✓ Modifications to existing systems
- ✓ Custom-designed commercial systems

We can design customised refrigeration solutions for our commercial clients. We also provide flexible, scheduled maintenance contracts. As well as ensuring optimal efficiency, this reduces the chance of costly breakdowns and subsequent down-time for your business in the future.
