CAPABILITY STATEMENT

Our Purpose

Our why is what matters to us most.
Our why is about you.

1

Keeping people at work safe through worksite signs, equipment and high quality HSE printed resources.

2

Guiding your journey on WA roads with Australian and Main Roads standard signs, manufactured locally.

3

Growing your business with highly effective signage and printed collateral that communicates your brand and message.

4

Positively impacting the lives of Aboriginal People providing jobs, connecting with businesses and supporting communities.

So... how can we help you?

We acknowledge and honour the ancestors of all Aboriginal peoples – past, present and future, and the many countries they belong to and for.

Our Story

Blak Line Industries is a majority owned and operated Aboriginal business composed of seven different Traditional Owner families with beneficiaries belonging to the Palyku, Nyiyaparli, Banyjima, Kariyarra, Nyamal and Yuet peoples.

Blak Line provides safety, signage and print solutions. We have a strong focus on supporting Aboriginal people in particular Aboriginal women and families. You can learn more about how we intend to do great things through our 3 pillars of Aboriginal Engagement.

Our three pillars of Aboriginal Engagement

WORKFORCE

We provide opportunities for Aboriginal people to secure a role in a supportive environment through apprenticeships and traineeships.

SUPPLY CHAIN

We recognise that the mutual benefits achieved by bringing Aboriginal businesses into our supply are a powerful way to help other Aboriginal business owners grow their businesses. To do this we are establishing an Aboriginal network of suppliers and partners across WA.

COMMUNITY

As our business grows, we will welcome opportunities to sponsor, support and work with local communities to give back where it matters most.

Our Capabilities

We provide the full spectrum of signage, safety solutions and printing for our clients.

We can help with any size project from workplace safety signage, to shopfront window vinyls, to the production of Sustainability reports. Above all our approach makes sure you reach your ideal outcome because we take the time to understand our unique needs.

DESIGN

Our talented designers help bring your concepts to life. From branding to simple artwork.

PLANNING

Signage is an investment. You want to get it right the first time. We can make that happen.

PRODUCTION

Our signs are manufactured at our premises. So we have full control over quality, costs and deadlines.

MAINTENANCE

Our team are fully trained and equipped to install and maintain signage professionally and in line with technical and safety requirements.

Our Partnership

Blak Line Industries is a partner in the Indigenous Shared Services Group (ISSG). ISSG is a group of Aboriginal businesses that co-invest, pool and share resources to help Aboriginal people, families and communities to trade, invest and work together to create self-determining economic futures.

Our Products | Signs

Guiding your journey on WA roads with Australian and Main Roads standard signs, manufactured locally.

Road Signs

We recognise how important it is that road and traffic signage complies with Australian Standards and Main Roads WA guidelines. Our focus is on providing signs which not only comply, but offer minimal maintenance, durable, hardwearing finishes and correct visibility and clarity.

What we offer

- Guide & service
- Hazard markers
- Recreational
- Regulatory
- Sign accessories
- Road safety devices
- Transport safety
- Warning signs
- Temporary road signage
- Multi-message signs and frames

Custom Signs

With our on-site design capabilities, large purpose-built manufacturing facility and custom-built digital studio, we can help with the most challenging of projects. Using the latest technology, we provide cost effective professional solutions.

Our integrated approach means we can deliver architectural signage and functional structures in any shape and size using a range of materials. Our innovative thinking is designed to set your brand apart from its peers with captivating and functional signage. Working with us means you will benefit from precise lead time management and quality fabrication, as well as professional installation and ongoing maintenance.

- Window graphics
- Heritage signage
- Custom made signs

Our Products | Safety

Keeping people at work safe through worksite safety signs, equipment and high quality HSE printed resources.

Safety Signs

Safety signs play an essential role in work sites and mine sites. Safety signs make people aware of possible dangers, critical instructions or important information. All safety signage must meet specific standards in Australia.

Our signs are manufactured locally and are designed to withstand the harsh environmental conditions found in Australia. We will make sure you get the right signs for your work site.

What we offer

- Danger
- Mandatory
- Prohibition
- Warning and caution
- Fire safety
- Hazchem
- Emergency
- First aid
- Traffic and parking signs
- Project boards and custom OHS boards
- Blasting

Our Products | Safety

Health & Safety Printed Collateral

We aim to improve working conditions with quality HSEQ printing. We have a unique understanding of the fundamentals of printing, which we apply to our safety range – from Take 5 booklets to training manuals. In any work environment, communication is critical and will ensure that the necessary caution is always taken.

What we offer

- Safety and lockout tags
- Take 5 booklets
- Safety publications and reports
- Training manuals
- Logs and NCR forms
- Pocket information cards

Safety Equipment

To complement our signage and printing solutions, we also provide a full range of safety equipment for mine sites and general work sites.

What we offer

- Barriers
- Bollards
- Cones
- Speed humps
- Lights and lamps
- Reflective tapes

Our Products | Print

Representing your brand with professional and impactful print solutions.

Print

Our extended small format and large format printing allows us to offer an extensive range of printing solutions. Our experienced printers make sure our quality is second to none. Our turnaround times get your business stationary and printed documents into your hands faster.
